MEMORAROUN FOR THE DIRECTOR OF CENTRAL INTELLIGENCE EXECUTIVE SECRETARY, MSC

Department of State (Er. Booth) telephoned this morning that they think the following wording for elarification purposes is better than that given in the seventh paragraph of the Hemorandum dated December 9 to the Executive Secretary of Mational Security Council transmitting the proposed MSCID's:

Thile in agreement as to the matters provided for in paragraph 8, 9, and 10 of the Proposed MSCID No. 1, the Intelligence Chiefs request that the attention of the Mational Security Council be called to the fact that these paragraphs constitute instructions issued directly to the Departments and Agencies by the Council rather than instructions to the Director of Contral Intelligence as in all other paragraphs of MSCID No. 1. The Intelligence Chiefs believe that this procedure would be a departure from customary Covernmental practice and would establish a procedent, but do not feel competent to advise as to the authority of the Council under the provisions of the National Security Act in this respect."
